IMPACT REPORT 2025

Invitation from the Chair

On behalf of your Board of Directors, I am pleased to invite you to the 2025 Annual General Meeting (AGM) of CSL Limited (CSL or the Company).

CSL's AGM will be held on Tuesday, 28 October 2025 at the RACV City Club, Level 17, 501 Bourke St, Melbourne 3000, starting at 10 a.m. (Melbourne time).

This meeting will be held in a hybrid format (in person and online) meaning shareholders have the option to join the meeting either at the venue or virtually. Further details about attending the meeting are set out in this notice on page 20.

Shortly after opening the AGM, I will address the meeting and then our Chief Executive Officer, Dr Paul McKenzie will review CSL's operations and performance over the year to 30 June 2025. More information about our financial and operational performance are included in our Annual Report which can be found on our website [CSL.com](https://www.csl.com).

We will then move through the items of business set out in this Notice of Meeting, and shareholders as a whole will have an opportunity to ask questions and make comments about the management and operations of the Company.

The AGM is an important opportunity to hear from our shareholders. We encourage shareholders to submit their written questions well in advance of the AGM by logging into www.investorvote.com.au and submitting questions no later than 5 p.m. (Melbourne time) Tuesday, 21 October 2025.

We will endeavour to answer as many of the frequently asked questions as practicable during the meeting.

At last year's Annual General Meeting, CSL received a 'first strike' on its Remuneration Report. While this was disappointing, the Board has taken this feedback very seriously and has consulted broadly with shareholders and other stakeholders to understand the concerns that led to the first strike. Our response to the first strike and the changes implemented to CSL's remuneration structure are set out in our 2025 Remuneration Report at page 61 of the Company's Annual Report.

In the event we receive a 'second strike' at this year's AGM on the Remuneration Report, a resolution to spill the Board will be put to shareholders. If the conditional resolution is put to the AGM, the Board unanimously recommends that shareholders vote **AGAINST** the conditional resolution.

CSL's Board of Directors

This year, Ms Marie McDonald and Dr Megan Clark AC will retire from the Board. Both have been highly respected, valued and hard working Board members. Ms McDonald steps down after 12 years as a Non-executive Director, and Dr Clark after 9 years as a Non-executive Director. On behalf of the Board I thank them both for their contributions and wish them well for the future.

We are pleased that Dr Brian Daniels joined the Board on 1 December 2024 as a Non-executive Director. He is a member of the Innovation and Development Committee. You can read more about Dr Daniels on page 9. Dr Daniels is standing for election to the Board of CSL at the AGM and the Board recommends Dr Daniels election as a Non-executive Director.

We will also welcome Mr Cameron Price as a Non-executive Director from 1 October 2025. He is a member of the Human Resources and Remuneration Committee and he will become the Chair of Human Resources and Remuneration Committee at the end of the 2025 AGM. You can read more about Mr Cameron Price on page 10. Mr Price is standing for election to the Board of CSL at the AGM and the Board recommends his election as a Non-executive Director.

Board Recommendation

The Board recommends that shareholders vote in favour of the resolutions in Items 2, 3, and 4 and against Item 5 if it is put to the AGM.

Thank you for your continued support of CSL. I encourage you to join us at the AGM and look forward to welcoming you then.

Yours faithfully,

Brian McNamee AO
Chair

5. Conditional Board spill resolution

If required, to consider, and if thought fit, to pass the following resolution as an ordinary resolution:

That, subject to and conditional on at least 25% or more of the votes validly cast on the resolution in Item 3 (Adopting the Remuneration Report for the year ended 30 June 2025) being cast against that resolution:

- a) an extraordinary general meeting of the Company (the Spill Meeting) be held within 90 days of the passing of this resolution;*
- b) all of the directors who were directors of the Company when the resolution to make the Directors' Report for the year ended 30 June 2025 was passed and who remain in office at the time of the Spill Meeting cease to hold office immediately before the end of the Spill Meeting; and*
- c) resolutions to appoint persons to offices that will be vacated immediately before the end of the Spill Meeting be put to the vote of shareholders at the Spill Meeting.*

Note: This is a conditional resolution and will only be put to the 2025 AGM if at least 25% of the votes validly cast on the resolution proposed in Item 3 are against that resolution.

If you do not want a Spill Meeting to take place, you should vote 'Against' Item 5. If you want a Spill Meeting to take place, you should vote 'For' Item 5.

The Board recommends that shareholders vote **AGAINST** Item 5 if it is put to the AGM.

Voting exclusion applicable to Item 5

CSL will disregard any votes cast on Item 5:

- by or on behalf of a person who is a member of CSL's KMP named in the Remuneration Report for the year ended 30 June 2025, and their closely related parties (regardless of the capacity in which the vote is cast); or
- as proxy by a person who is a member of the KMP on the date of the AGM and their closely related parties.

However, votes will not be disregarded if they are cast as proxy for a person entitled to vote on Item 5:

- in accordance with the directions on the proxy form; or
- by the person chairing the meeting in accordance with an express authorisation in the proxy form to exercise the proxy as the chair of the meeting decides, even though Item 5 is connected with the remuneration of CSL's KMP.

In accordance with CSL's Constitution, CSL will also disregard any votes cast on Item 5 by a shareholder that is a 'significant foreign shareholder', as that term is defined in the Constitution.

The chair of the meeting intends to vote all undirected proxies against Item 5 if it is put to the meeting.

Explanatory Notes

The Explanatory Notes that follow form part of the Notice of Meeting and provide important information regarding the items of business to be considered at the AGM.

Item 1

Financial Statements and reports

The laws in Australia require Directors to lay the annual financial report (or statements) and the reports of the Directors and the Auditor for the financial year ended 30 June 2025 before the AGM.

This item does not require a formal resolution to be put to the Meeting. However, shareholders as a whole will be given a reasonable opportunity to submit questions about, or make comments on, the reports and the management of CSL. Shareholders will also be given a reasonable opportunity to submit questions to a representative of the Company's Auditor, Deloitte, in relation to the conduct of the audit (including the independence of the Auditor), the preparation and content of the auditor's report and the accounting policies adopted by the Company.

Item 3**Adoption of the Remuneration Report**

Shareholders are asked to adopt the Company's Remuneration Report. The Remuneration Report is contained in the 2024/25 Annual Report and starts on page 61. You can obtain a copy of the 2024/25 Annual Report on [CSL.com](https://www.csl.com) or by contacting CSL's share registrar, Computershare.

Shareholders as a whole will have a reasonable opportunity at the meeting to submit questions about or make comments on the Remuneration Report. Item 3 is required under Australian law and the vote on the adoption of the Remuneration Report is an advisory vote only and does not bind the Directors or the Company. However, the Board will take the outcome of the vote into consideration when reviewing remuneration practices and policies of the Company for future years.

The Remuneration Report includes:

- an explanation of CSL's policies in relation to the nature and amount of the remuneration of the KMP;
- a description of the relationship between CSL's remuneration policies and CSL's performance; and
- remuneration details for KMP and any associated performance conditions for the period ended 30 June 2025.

Voting restrictions apply in relation to this item and are described in the Items of Business on page 4.

Shareholders should note that while the vote on Item 3 is advisory only, if 25% or more of the votes cast on this item are 'against' adopting the Company's Remuneration Report, Item 5 (conditional Board spill meeting resolution) will be put to the meeting. The operation and consequences of the conditional Board spill meeting resolution are set out in the additional notes to Item 5 on page 19.

The Board recommends that shareholders vote in favour of adopting the Remuneration Report for the financial year ended 30 June 2025.

Item 4

Approval of a Grant of Performance Share Units to the Chief Executive Officer and Managing Director, Dr Paul McKenzie

Under the Australian Securities Exchange (ASX) Listing Rules, shareholder approval is required for an issue of CSL securities to Directors.

4.1 Proposed Grant

It is proposed that Dr Paul McKenzie, an Executive Director of CSL and the Chief Executive Officer and Managing Director, be granted 58,360 Performance Share Units (PSUs) as his long-term incentive (LTI) for the year ended 30 June 2026. The Board believes it is in shareholders’ interests to provide Dr McKenzie with an equity-based incentive to ensure there is alignment between returns for shareholders and Dr McKenzie’s reward.

If approved by shareholders, the awards will be made under the CSL Limited Executive Performance and Alignment Plan (the EPA Plan, which is operated under the CSL Limited Performance Rights Plan), and PSUs will be granted at no cost within twelve months of the AGM.

Each PSU granted under the EPA Plan is a conditional right to one fully paid ordinary share in CSL, subject to meeting the applicable service and performance conditions, including the Return on Invested Capital (ROIC) and Earnings per Share (EPS) growth (EPSg) performance measures described below. PSUs carry no voting or dividend entitlements.

The key terms of the 2026 grant of PSUs to Dr McKenzie are set out below:

Grant value	<p>The grant value, or target opportunity, of Dr McKenzie’s LTI is equivalent to 425% of Dr McKenzie’s base salary of US\$1,930,883 as at 1 September 2025, being US\$8,206,253.</p> <p>The grant value was converted to Australian dollars using the RBA closing exchange rate on 29 August 2025 (being A\$0.6538).</p> <p>For 2026, the total grant value in Australian dollars is A\$12,551,625.</p>
Number of PSUs to be granted	<p>The number of PSUs to be granted to Dr McKenzie is 58,360, being the above grant value in A\$ divided by the Market Price.</p> <p>The Market Price is the five day volume weighted average price at which CSL Shares were traded on the ASX up to and including 29 August 2025, being A\$215.07.</p> <p>The PSUs are divided into two tranches – Tranche 1 will comprise 70% of the total number of PSUs and Tranche 2 will comprise the remaining 30%. The number of PSUs in each tranche is as follows:</p> <ul style="list-style-type: none">• Tranche 1: 40,852; and• Tranche 2: 17,508.

4.2 Determination of targets

Tranche 1 is subject to a ROIC performance measure and Tranche 2 is subject to an EPSg performance measure. Both performance measures will be assessed at the end of a three-year performance period (1 July 2025 to 30 June 2028).

When determining the performance hurdles the Board considered a range of factors including CSL's strategy, historical and forecast financial performance, the Board approved budget and external factors including guidance and other relevant market disclosures. Sensitivity analysis and modelling was also undertaken to test both the threshold and target values selected to create ambition and sufficient stretch, and alignment with shareholder interests.

Performance measures

Tranche 1 – ROIC

At the test date, Tranche 1 of PSUs that are eligible to be tested for vesting will be subject to a performance assessment based on the growth of ROIC (in percentage points) over the 3 years from FY25 (year ended 30 June 2025) to FY28 (year ending 30 June 2028), where:

$$\text{ROIC} = \frac{(\text{Reported EBIT} \times (1 - \text{Effective Tax Rate}))}{(\text{Average Equity} + \text{Average Net Debt})}$$

For prior “on foot” awards, performance is assessed on the basis of average ROIC over the relevant 3 years. For the FY26 LTI grant, the timing and extent of the strategic initiatives announced on 19 August 2025 means the use of average ROIC would not appropriately represent CSL's long term ROIC objectives. As a result, for the FY26 LTI grant, the Board considers it more appropriate to determine vesting outcomes based on the improvement in ROIC from FY25 to FY28.

CSL continues to use statutory measures for the LTI.

Tranche 2 – EPSg

At the test date, Tranche 2 of PSUs that are eligible to be tested for vesting will be subject to an EPSg three-year compound annual growth rate performance measure, where:

$$\text{EPS} = \frac{\text{CSL Reported NPAT attributable to CSL shareholders in USD}}{\text{Weighted Average Number of Shares on Issue}}$$

Explanatory Notes

Performance hurdle and vesting

Tranche 1 – ROIC
Full vesting will occur on achievement of target level performance, with partial (33%) vesting on achievement of threshold performance. Note that the 33% vesting is a reduction from prior years and is in response to shareholder feedback about the quantum of vesting for threshold ROIC performance.

Performance level	ROIC percentage point growth	FY28 ROIC result	Outcome
Below threshold	Less than 1.5	ROIC less than 13.0%	0% vesting
Threshold	1.5	ROIC of 13.0% (calculated to one decimal point)	33% vesting on achievement of threshold level performance
Between threshold and target	1.5 to 2.2	ROIC of between 13.0% and 13.7% (calculated to one decimal point)	Vesting on a straight-line basis between 33% and 100%
Target	2.2	ROIC of 13.7% (calculated to one decimal point)	100% vesting
Above target	Above 2.2	ROIC above 13.7%	Outcome capped at 100% – cannot exceed target

Further to the above vesting schedule, an additional gateway must be passed before vesting of Tranche 1 can occur. This gateway requires that ROIC is delivering a minimum acceptable return across the 3-year performance period. Specifically, the gateway requires that the arithmetic average of the 3 annual ROIC outcomes during the performance period exceeds CSL's internal investment hurdle rate. This rate is based on the minimum return we require on our investments to ensure we are making sound investment decisions and appropriately manage risk and clearly exceed our cost of capital. The rate applicable in the year ending 30 June 2028 will be used for the purposes of this gateway.

Performance will be measured on 1 September 2028 based on ROIC for the financial year ending 30 June 2028. The Board considers that testing performance on this basis recognises the importance of growing ROIC over the longer term.

Performance hurdle and vesting
continued

Tranche 2 – EPSg

Vesting will occur on achievement of target level performance, with partial vesting (50%) on achievement of threshold performance.

Performance level

Hurdles

Outcome

Below threshold

EPSg less than 9.0%

0% vesting

Threshold

EPSg of 9.0% (calculated to one decimal point)

50% vesting on achievement of threshold level performance

Between threshold and target

EPSg of between 9.0% and 10.0% (calculated to one decimal point)

Vesting on a straight-line basis between 50% and 100%

Target

EPSg of 10.0% (calculated to one decimal point)

100% vesting

Above target

EPSg above 10.0%

Outcome capped at 100% – cannot exceed target

Performance will be measured on 1 September 2028 based on the three-year compound annual growth rate of EPS over the period 1 July 2025 to 30 June 2028. The base figure is the EPS recorded in the financial year immediately prior to the grant (ended 30 June 2025) and the performance is measured by reference to the EPS recorded in the financial year immediately prior to the date of vesting (ending 30 June 2028). EPS will be adjusted to exclude the effect of any share repurchases/buybacks that have the effect of materially reducing the number of ordinary shares outstanding during the performance period. The Board considers that testing performance on this basis recognises the importance of sustained longer-term performance.

Tranches 1 and 2

Any PSUs that do not vest following testing of the performance hurdles at the vesting date will lapse. There will be no retesting of performance hurdles.

The Board has the absolute discretion (subject to legal and Listing Rule requirements) to adjust the ROIC or EPSg performance conditions, including the hurdles and vesting schedules. In making any adjustment, the Board may take into account any matter that it considers relevant, including matters outside of management's influence, the impact of any material acquisitions or corporate activity, one-off non-recurrent items, or a broader assessment of CSL performance outcomes.

As communicated in the 2024 Remuneration Report, a change has been made to the EPA Plan for Dr McKenzie's award. At the end of the three-year performance period, for any PSUs that vest, an additional one-year holding period will be applied to any shares held by Dr McKenzie after taking into account any shares that need to be sold to cover Dr McKenzie's tax withholding obligations.

Explanatory Notes

4.3 Award term

Holding lock period	12 months from vesting (expected to be from 1 September 2028 to 31 August 2029).
Cessation of employment	<p>If Dr McKenzie ceases employment with CSL before the PSUs vest then, unless the Board determines otherwise, all unvested PSUs will lapse.</p> <p>However, if Dr McKenzie ceases employment by retirement, redundancy, death, total or permanent disability or another 'qualifying leaver' reason as determined by the Board in its absolute discretion then, unless the Board determines otherwise, Dr McKenzie will retain a pro-rated number of PSUs based on the period elapsed from the start of the performance period to the date of cessation. Such PSUs will remain on foot subject to the original terms and conditions of the awards including award Vesting Date.</p> <p>To the extent permitted by law, the Board may elect to settle any PSUs vesting by way of a cash payment (rather than ordinary shares).</p> <p>If Dr McKenzie ceases employment with CSL before the end of the holding lock period for any reason, the holding lock period will continue to apply and Dr McKenzie will not be able to access the shares until the restriction is lifted.</p>
Clawback and malus	<p>The terms of the award will be subject to the Board approved Company Clawback and Malus Policy and Risk Management/Reward Framework.</p> <p>This policy enables the clawback or adjustment of any incentive awards which vest (or may vest), including but not limited to any gain realised from the disposal of the underlying shares, as a result of fraud, dishonesty, risk management outcomes, violation of any material law or regulation, material misstatement, omission or error in the financial statements, material violation of CSL's Code of Conduct or any other policy governing the conduct of employees or serious and wilful misconduct.</p>
Change of Control	<p>In the event of a change of control of the Company, unless otherwise determined by the Board, a pro-rated number of PSUs granted, based on the time elapsed since the issue date, will be tested against the performance measures and will vest based on the extent to which the performance measures have been met.</p> <p>Any shares that are subject to the holding lock period will be dealt with, so that Dr McKenzie will remain, as of the date of the determination, in a financial position in respect of the shares which is as near as possible to that which existed immediately prior to the change of control event occurring.</p>

4.4 Additional information provided in accordance with ASX Listing Rule 10.15

Why is approval being sought and what will happen if approval is not given?	<p>ASX Listing Rule 10.14 provides that a listed company must not issue equity securities to a Director under an employee incentive scheme unless it obtains the approval of its shareholders. Dr McKenzie is a “director” for the purposes of ASX Listing Rule 10.15.1.</p> <p>CSL is seeking shareholder approval for the purposes of Listing Rule 10.14 to give CSL the flexibility to issue shares to satisfy PSUs that vest and for transparency and governance reasons.</p> <p>If shareholder approval is not obtained, then the Board will provide alternative remuneration to Dr McKenzie in order to appropriately remunerate and incentivise him, which will most likely be an equivalent cash amount, subject to the same performance, service and other conditions, including the holding period.</p>
Why are PSUs used for Dr McKenzie's LTI?	<p>CSL uses PSUs because they create share price alignment between executives and ordinary shareholders but do not provide the executives with the full benefits of share ownership (such as dividend and voting rights) unless and until the PSUs vest and shares are allocated.</p>
Other Information	<p>As the PSUs will form part of Dr McKenzie's remuneration for 2026, they will be granted at no cost and there will be no amount payable by Dr McKenzie on vesting of the PSUs.</p> <p>Shares allocated on vesting of the PSUs will be subject to a one-year holding lock. At the end of the holding lock period, no further restrictions on trading (subject to CSL's Securities Dealing Policy) will be applied.</p> <p>There is no loan scheme in relation to the PSUs or the shares allocated on vesting of the PSUs.</p> <p>Dr McKenzie is prohibited from dealing in PSUs and hedging the share price exposure in respect of PSUs.</p> <p>Dr McKenzie will be eligible to receive dividends on his shares during the holding lock period.</p>

Explanatory Notes

Other
Information
continued

Dr McKenzie is the only Director who is eligible to participate in, and receive PSUs under, the EPA Plan. The ASX Listing Rules require this Notice of Meeting to state the number of securities that have previously been issued to, and average price of securities paid by, Dr McKenzie for those securities under the EPA Plan. The EPA Plan was introduced in 2017 and since implementation 135,765 PSUs have been issued (at no cost) to Dr McKenzie under the EPA Plan in respect of prior year LTI. ASX Listing Rule 10.15.4 requires this Notice of Meeting to include details (including the amount) of Dr McKenzie's current total remuneration. Details of Dr McKenzie's remuneration at the date of this Notice of Meeting are set out below.

Fixed remuneration (salary)	US\$1,930,883
Short-term incentive	120% of fixed remuneration at target, 240% of fixed remuneration at maximum
Long-term incentive	425% of fixed remuneration on a face value basis

Further details of Dr McKenzie's remuneration are set out in the Remuneration Report on pages 61 to 89 of the 2024/25 Annual Report. Details of any PSUs or CSL shares issued under the EPA Plan will be published in the Company's Annual Report relating to the period in which they were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14. Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in an issue of securities under the EPA Plan after this resolution is approved and who are not named in this Notice of Meeting will not participate until approval is obtained under that rule unless an exception under Listing Rule 10.16 applies.

Voting restrictions apply in relation to this item and are described in the Items of Business on page 5.

The Board (with Dr McKenzie abstaining) recommends that shareholders vote in favour of granting Performance Share Units to the Chief Executive Officer and Managing Director, Dr McKenzie.

Contingent Business – Item 5

Conditional Board spill resolution

This resolution will only be put to the AGM if at least 25% of the votes validly cast on Item 3 (the resolution to adopt the Remuneration Report) are cast against the adoption of the Remuneration Report. If less than 25% of the votes validly cast on Item 3 are against adopting the Remuneration Report at the 2025 AGM, then there will be no second strike and Item 5 will not be put to the meeting.

If put to the meeting, the conditional Board spill resolution will be considered as an ordinary resolution. If this resolution is passed and becomes effective, a special meeting of shareholders known as a “Spill Meeting” must be held within 90 days. The following Non-executive directors will cease to hold office immediately before the end of the Spill Meeting unless they are re-elected at the Spill Meeting:

- Dr Brian McNamee;
- Professor Andrew Cuthbertson;
- Dr Brian Daniels;
- Carolyn Hewson;
- Samantha Lewis;
- Elaine Sorg; and
- Alison Watkins.

Although Dr Megan Clark and Ms Marie McDonald held directorships when the Board passed the resolution for the Directors' Report for financial year ended 30 June 2025, they will have retired at the close of the 2025 AGM and will not be required to stand for re-election at the Spill Meeting.

If Mr Cameron Price is elected at the 2025 AGM, he will not be required to stand for re-election at the Spill Meeting as he was not in office at the time that the Directors' Report for the financial year ended 30 June 2025 was passed.

Voting restrictions apply in relation to this item and are described in the Items of Business on page 6.

The Board recommends that shareholders vote **AGAINST** the contingent spill resolution.

By order of the Board

Fiona Mead
Company Secretary

17 September 2025

The Board recommends that shareholders vote **against** the contingent spill resolution.

Proxyholders may contact CSL's share registry, Computershare Investor Services Pty Ltd, on +61 3 9415 4024 for further information.

Am I entitled to vote at the AGM?

To vote at the AGM you must be a registered holder of CSL shares as at 10 a.m. (Melbourne time) on Sunday, 26 October 2025. The number of shares you hold at that time determines your voting entitlement.

Restrictions apply on the eligibility of certain people to vote on particular items of business. CSL has set out the applicable voting exclusions for the relevant item of business immediately after the proposed resolution in this Notice of Meeting.

How will voting be conducted?

A poll will be called on each of the resolutions set out in this Notice of Meeting. A show of hands will not be conducted.

How do I register my attendance at the meeting venue on the day of the AGM?

You must register to vote at the AGM. The registration desk will be open from 9 a.m. Melbourne time and you should arrive at least 30 minutes before the meeting commences to allow enough time to complete registration. To make the registration process quicker, please bring your proxy form to the meeting so we can scan the personalised barcode to register your attendance.

To make the registration process quicker, please have your SRN/HIN and registered postcode or country code ready.

Proxyholders will need to contact the call centre on +61 3 9415 4024 one hour before the meeting to obtain their login details.

When and how do I lodge a proxy?

A proxy appointment (and the power of attorney or other authority under which it is signed, if any) must be received by CSL's Share Registry, no later than 10 a.m. (Melbourne time) on Sunday, 26 October 2025. See information under 'I am entitled to vote but I can't participate in the meeting in person or online – what should I do?' for further details related to appointing a proxy.

Shareholders who receive hard copies of their Notices of Meeting will also receive a proxy form in the mail.

Proxies may be lodged in the following ways:

- **Online:** www.investorvote.com.au and following the instructions set out on the website.
- **Mail:** CSL Share Registrar Computershare Investor Services Pty Limited
GPO Box 242
Melbourne, Victoria 3001

You can arrange to receive shareholder information electronically by contacting Computershare on 1800 646 882 (within Australia) or +61 3 9415 4178 (outside Australia) or at www.investorcentre.com/au.

Intermediary custodian voting: for intermediary online subscribers only (custodians) please submit your voting intentions at www.intermediaryonline.com. If you have appointed a proxy to attend the Meeting and then you also attend the Meeting your proxy will not be revoked, unless you instruct Computershare that you would like to revoke your proxy prior to the meeting. In this case, your proxy will not be eligible to vote on those items of business.

I have a power of attorney from a shareholder – how do I vote?

An original or certified copy of the power of attorney under which you are authorised to attend and vote at the meeting must be provided to CSL's Share Registry prior to the AGM or brought to the meeting venue (unless you or the shareholder have previously lodged this paperwork with CSL's Share Registry).

I am a corporate shareholder – how can I participate and vote?

A body corporate that is a shareholder, or has been appointed proxy, may appoint an individual to act as its representative at the AGM. The appointment must comply with the requirements of section 250D of the Corporations Act. Evidence of the appointment, including any authority under which it has been signed must be provided to CSL's Share Registry prior to the AGM or brought to the meeting venue (unless it has previously been given to CSL or CSL's Share Registry).

I am a representative of a corporate shareholder – how can I participate and vote?

Please ensure the requirements of section 250D of the Corporations Act have been complied with and provide evidence of your appointment, including any authority under which it is signed, CSL's Share Registry prior to the AGM or bring it to the meeting venue.

I am entitled to vote but if I can't attend the meeting in person or online – what should I do?

Shareholders are entitled to appoint a proxy to attend and vote on your behalf. The proxy need not be a shareholder of CSL and may be an individual or a body corporate. See above for details on how to lodge a proxy. More details are set out below to assist you with setting up your proxy vote properly.

How do I ensure I appoint a valid proxy?

If you are entitled to attend and vote at the meeting, you may appoint a proxy, and up to two proxies where you are entitled to cast two or more votes.

Each proxy will have the right to vote on a poll and to speak at the meeting.

Where two proxies are appointed, you may specify the proportion or number of votes that each proxy may exercise. If you appoint two proxies and do not specify the proportion, each proxy may exercise half your votes. Fractions of votes are disregarded.

If you wish to indicate how your proxy should vote, please mark the appropriate boxes on the proxy form. If you do not direct a proxy on how to vote on an item of business or should any resolution other than those specified in this Notice of Meeting be proposed at the meeting, your proxy may vote or abstain from voting on that resolution as they see fit (subject to any applicable voting exclusions).

If you instruct your proxy to abstain from voting on an item of business, they are directed to not vote on a poll and the shares, subject of the proxy appointment, are not counted in calculating the required majority.

If you submit your proxy form but do not nominate the identity of your proxy, then CSL will deem the chair of the meeting as your proxy to vote on your behalf.

If you submit your proxy form with a direction on how to vote and your nominated proxy does not participate in the meeting or does not vote on the resolution in accordance with your directions, the chair of the meeting will act in place of your nominated proxy and vote in accordance with your instructions (subject to any voting restrictions).

What if my proxy is a KMP of CSL or a closely related party of the KMP?

You can appoint a member of CSL's KMP (which includes each of the Directors and the Executive KMP) and their closely related parties (such as close family members and any controlled companies) as your proxy. However, unless the chair of the meeting is your proxy, members of CSL's KMP and their closely related parties will not be able to vote as proxy on Items 3, 4 and 5 unless you direct them how to vote by marking the voting boxes on the proxy form for those items. Dr McKenzie and his associates will not be able to vote your proxy in favour of item 4 unless you direct them how to vote. The chair of the meeting may vote any undirected proxies as they decide, even though Items 3, 4 and 5 are in connection with KMP remuneration.

Can I appoint the chair of the meeting as my proxy?

Yes, you can appoint the chair of the meeting as your proxy.

If you appoint the chair of the meeting as your proxy, or the chair of the meeting is appointed as your proxy by default, and you do not mark the voting boxes on the proxy form for Items 3, 4 and 5, by completing and submitting the proxy form you are expressly authorising the chair of the meeting to exercise your proxy as he sees fit in relation to those resolutions even though Items 3, 4 and 5 are connected with the remuneration of CSL's KMP.

The chair of the meeting intends to vote all available proxies in favour of Items 2 to 4 and against Item 5.

Important Information

Can I ask questions at the meeting?

Shareholders may ask questions at the meeting, whether they attend in person or participate online. To ask a question online during the AGM (verbally or in writing), shareholders must use the Lumi online platform. A reasonable opportunity will be given to shareholders as a whole at the AGM to ask questions about, or make comments on, all items of business and the management of CSL.

You are encouraged to submit written questions relating to CSL and the business of the AGM in advance of the meeting. Shareholders may also submit questions to CSL's Auditor in advance of the meeting on the content of the Auditor's report or the conduct of its audit of CSL's Financial Report for the year ended 30 June 2025. The Auditor is not obliged to provide written answers.

Shareholders can submit their questions in advance of the meeting at www.investorvote.com.au.

Questions must be received by no later than 5 p.m. (Melbourne time) on Tuesday, 21 October 2025.

The chair of the meeting will endeavour to address the more frequently raised themes during the course of the meeting. However, there may not be sufficient time available at the meeting to address all of the questions raised. Please note that individual responses will not be sent to shareholders.

CSL produces a range of publications that can be viewed or downloaded at CSL.com. You can elect to receive a paper copy of the Annual Report by contacting CSL's Share Registrar.

CSL confirms that this document complies with the notice of meeting content requirements set out in the Listing Rules. ASX has provided no objection to this document under Listing Rule 15.1.4 based on this confirmation.
